

Delegate Committee #3: The Committee to Evaluate the Need for an at-Large State Vice President Position

Committee Issue Rationale:

- Recommended action to be taken:
 - Louisiana FFA shall allow for a State Vice President at Large to be elected to the State Officer team when an area does not have a representing candidate.
- Why is this proposal of importance to the Louisiana FFA Association?
 - This proposal serves an important role to the Louisiana FFA Association because the constitution clearly outlines that ten student State Officers will be elected annually. This will allow for the State Officer team to be completely filled each year, regardless of whether or not an area has a representing candidate.
- What effect, if any, will this proposal have on student membership?
 - This proposal will ensure the full officer team is elected and increase the ability of State Officers to serve the state.
