- On the State and Area Officer request form, add a section for teachers to write notes about students needs and interests to better help the officer prepare for the visit.
- Continue to schedule the State Leadership Delegates’ Conference as a one-day event in a centralized part of the state.
- Require that each Area Officer team submit at least one delegate issue for SLDC consideration.
- Permanently schedule Awards Review Day, State and Area Officer Candidate Schools, and State and Area Nominating Committee Trainings as virtual events.
- Prior to the start of the State Nominating Committee, arrange a social event for committee members and candidates to interact to relax the participants before interviews begin.
